Public Notice
Aqueduct network flushing

NOTICE to users of the drinking water network that the municipality of Saint-André-d'Argenteuil will proceed to a one way flush of the network as well as an inspection of the fire hydrants. These works are expected to clean the municipal drinking water distribution system and verify the reliability of the fire hydrants.

Date: From September 11th to 22nd 2017

TAKE NOTICE that this operation can momentarily bring cloudy water and a pressure drop.

Therefore, it is recommended to open the faucet for several minutes until the water becomes clear again and to avoid cleaning fabrics over that period. Meanwhile, use of bleach during this period can also stain clothing.

The aqueduct network flushing will be conducted between **7 am and 5 pm, Monday through Friday**.

The Municipality of Saint-André-d'Argenteuil is grateful for your collaboration and comprehension.
